## AFSC YOUTH VIDEO SCHOLARSHIPS

The AFSC's Latino Immigrant Youth Program has created a scholarship for Latino youth of immigrant background. Take this opportunity to tell us your story through a video. Share an immigrant journey to the United States: it can be your own story or a family member's story. Tell us how it has affected your current or future life or that of your family. Let's humanize immigration!

- Final video must be 2-5 minutes (one entry per participant)
