Application Cover Sheet

As teachers or people involved with schools, we understand the necessity of the support that comes from the home and the void that is created when a child loses a parent, both parents, or legal guardian due to death. There is a void that can never be fully filled. The PH stands for a parent in heaven. Balance is the support that is given to the child in the form of a scholarship. We know that nothing can ever fill that void or bring the parent back, but we want the child and his/her family to know that no matter when or how you lost your parent, we recognize that void and would love to show you our support and wishes for a bright future.
